

SOUTH EAST ENGLAND TOURIST GUIDES ASSOCIATION

We very much welcome your enquiry. The next training course likely to take place in our region will be a Green Badge course in Canterbury in 2023/2024. There is currently (2023) a Blue Badge Course running in SE England and therefore it is unlikely that another will be run for a couple of years.

Green Badge guides offer walking tours in one town only, whereas Blue Badge guides cover a far wider area and offer coach tours.

If you are interested in becoming a tourist guide in SE England, we'd love to hear from you and will contact you as soon as there is a new course planned.

First Name ...

Surname ...

Email address ...

Telephone number ...

Where are you currently based? ...

Do you speak a foreign language? No/Yes, which one?
